645 3<sup>rd</sup> Avenue NW – Sleepy Eye, MN 56085

Auction begins at 10 a.m.

Larry's Note: As we were listing this excellent auction, I observed that the majority of the items are clean, good, in working order and well taken care of. You will enjoy the large volume of tools that will be available to the highest bidder, very nice furniture, some great collectible items, some very nice antiques. Not every single item is listed here, but a good portion is. The Weiss family have been long standing members of the community and we are proud to be participating in their auction. Jerry was a woodworker and has numerous wood working tools. As they move on a new journey, Krenz Real Estate & Auctioneering, Inc., welcomes you, ask that you enjoy the day (hopefully beautiful weather) and watch where you park. There is parking, however, there is only one side of the highway available for parking, so be early to attain a spot that is close. Please do not bring dogs unless they are a service dog. We look forward to seeing you there..
