Nichole's Note: Talk about an unusual amount of amazing items. This is a chance to find a collectible item that you normally never get the opportunity to see, better yet, purchase! Sure you will see your everyday items, but at times you need those pieces too. It is how you can fill your house on a budget. **But...** if you are looking for the yesteryear antiques, collectibles we thought had disappeared, quilts that are beautiful, or have a love of coins, this is truly a remarkable auction! Don't miss it. Service Dogs Only. Thanks for understanding.
